RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

In response to the Office Action mailed January 16, 2004, applicants hereby provisionally elect, with traverse, to prosecute the claims of Group II (claims 57-104) in this application.

However, applicants traverse the restriction requirement since the subject matter of all of claims 1-104 is sufficiently related that a thorough and complete search for the subject matter of the elected claims would necessarily encompass a thorough and complete search for the subject matter of the non-elected claims. Search and examination of the entire application could be made without

serious burden. See MPEP §803 which clearly states that "[i]f the search and examination of an entire application can be made without serious burden, the Examiner must examine it on the merits." This policy should apply in the present application to avoid unnecessary delay and expense to applicants and duplicative examination by the Patent Office.

Respectfully submitted,
